

# Science is Fun for Scouts at the Lancaster Science Factory!

*Thanks to a generous donation from the Arnold Family Foundation, the Lancaster Science Factory is able to offer three amazing Cub Scout programs at unbeatable prices.*

## Cub Scout Science Commemorative Patch

- Scouts receive a workbook that they use to answer questions as they enjoy our exhibits and learn about science.
- Scout receives a special patch upon completion of workbook that you can ONLY get at the Science Factory.

## Webelos Engineering Activity Pin

- Takes 5 hours to complete program.
- Can be done in two evenings or as an overnight on a Friday or Saturday evening.

## Visit with a Special Scout Admission Rate

- Your pack can visit the Factory at a special rate reserved only for Scouts!

**Contact Erich at 717.509.6387 or [education@tlsf.org](mailto:education@tlsf.org) to learn more or to register for any of these three programs today!**
